The Dental Monitoring App

Things you need prior to your first visit at Ocean's Edge Orthodontics, to prepare for installing the new app:

1. You / your parent will need an up to date cell phone (iPhone 5S or higher, Android 5.0 or higher).

2. Have your / your parent's cell phone fully charged.

3. Have enough space on your cell phone to install the app.

4. Know your email address linked to your phone.

5. Know your app store login and password.

Have questions?

We're happy to help! Send us a message at Ocean's Edge Orthodontics.
